<b>Preferred Payment Method:</b>	
	<input type="checkbox"/> Bank Transfer
	<input type="checkbox"/> Mobile Money: _____
	<input type="checkbox"/> Other (Specify): _____

## TERMS AND CONDITIONS

- 1. Service Agreement:** By signing this form, the applicant agrees to subscribe to GGTA's shared Starlink internet service under the specified payment plan. The applicant acknowledges that this agreement is binding for the duration of the service and must adhere to all stated terms.
- 2. Equipment Ownership:** The Starlink Kit, and all peripherals including routers and cables remains the sole property of GGTA. The applicant shall exercise due care in using the equipment. In the event of loss, theft, or damage beyond normal wear and tear, the applicant may be held liable for repair or replacement costs. Failure to return the equipment upon service termination may result in additional charges or legal action.
- 3. Payment Obligations:** The applicant agrees to make timely monthly payments in full by the due date. Late payments may attract penalties, service suspension, or eventual termination. Reconnection fees may apply if service is suspended due to non-payment.
- 4. Price Adjustments:** Monthly subscription fees are subject to change based on Starlink's pricing policies and operational costs. GGTA reserves the right to review pricing annually and will provide at least 30 days' notice for any adjustments.
- 5. Shared Connectivity:** The internet service is provided on a shared basis among four households. Connection speeds may vary depending on overall network demand. GGTA makes no guarantees on speed or uninterrupted service.
- 6. Service Availability:** Internet speeds and connectivity depend on Starlink's network performance, satellite coverage, and external factors beyond GGTA's control. GGTA shall not be held liable for service disruptions due to Starlink technical failures, network congestion, or natural occurrences.
- 7. Technical Support:** GGTA will provide standard support for troubleshooting and maintenance related to equipment provided by GGTA. However, GGTA is not responsible for Starlink-related outages or third-party connectivity issues.
- 8. Termination Policy:**
  - The applicant must provide a 30-day written notice for service cancellation. The service will be discontinued at the end of the billing cycle following the notice period.
  - If the applicant fails to return the GGTA equipment upon cancellation, they will be billed for the full cost of the equipment.
  - GGTA reserves the right to terminate the service at its sole discretion under the following conditions:
    - Non-payment for two consecutive months or habitual late payments.
    - Breach of contract, including unauthorized redistribution of internet access.
    - Misuse of the service, including illegal activities, network abuse, or activities violating Starlink's terms.
    - Any technical or operational constraints making continued service provision unfeasible.
  - In case of termination by GGTA, the applicant will be notified in writing and may be given an opportunity to remedy the breach where applicable.

9. **Liability Waiver:** GGTA is not responsible for any indirect, incidental, or consequential damages resulting from the use or inability to use the service, including but not limited to loss of business, data, or revenue.
10. **Force Majeure:** GGTA shall not be held liable for failure to perform its obligations under this agreement due to circumstances beyond its reasonable control, including but not limited to natural disasters, government restrictions, strikes, or Starlink service modifications.

I, \_\_\_\_\_ confirm that I have read, understood, and agreed to the above Terms and Conditions.

Applicant Signature: \_\_\_\_\_

Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

#### OPTIONAL: Power Your Starlink with GGTA's Reliable Solar Energy Solutions

Looking for a dependable off-grid solution to power your Starlink Standard Kit? GGTA provides high-quality solar energy systems designed to keep you connected, no matter where you are. Our solar-powered system ensures uninterrupted internet access even in remote locations, utilizing cutting-edge technology for maximum efficiency and reliability. For customers looking to purchase this system, please refer to the table below for available products:

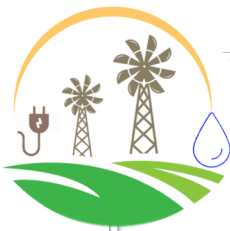

Item	Specifications
<b>Solar Panel</b>	550W Monocrystalline
<b>Lithium Battery</b>	24V 100Ah (Expandable)
<b>Inverter &amp; built Charge Controller</b>	3kVA (3000W), 230V AC Output MPPT, 50AH
<b>Installation Fee</b>	Depends on location
<b>Backup Energy Storage System</b>	From 1.5 kW with inverter

With this system, you are guaranteed that you will have full access to internet even during grid power outages.

If you need solar energy, please tick  the yes/no box below, our technical team will contact you for further details.

Yes

No
